

Meeting Growing Demand

Our plan:
Strategic, reliable,
affordable power.

Expanding energy capacity with current and new resources to meet state economic and population growth.

- > More than 5,000 megawatts of new generation – natural gas, battery storage, nuclear and solar
- > New resources increase flexibility

Santee Cooper Lakes: Marion and Moultrie

Maintaining safe drinking water, public access and recreation, ecosystems, and tourism on the state's largest freshwater resource.

- > Two award-winning water systems serving 200,000+ Lowcountry customers and growing
- > 44 marinas, 21 public landings (many with recent upgrades), 57 commercial leased areas, 34 gratis leased areas, 6 public parks/recreation areas
- > 15,000 acres for Santee National Wildlife Refuge, 18,250 acres for Wildlife Management Areas

- > \$754 million annual tourism impact and 6,700 jobs

Economic Development

Closely collaborating with local, regional and state organizations to bring more than \$10 BILLION IN CAPITAL INVESTMENT and 9,200 JOBS TO SOUTH CAROLINA since 1988.

- > **In 2025, we helped facilitate project announcements with \$2.73 billion in capital investment and nearly 2,000 jobs statewide, including:**

- Century Aluminum's announcement of an additional aluminum pot line and over 100 new jobs in Berkeley County
- Ocean Craft Marine's announced plans for Bucksport Marine Park in Horry County with nearly \$11 million in capital investment and 93 new jobs

- > **Camp Hall named No. 1 Commerce Park in the U.S. by Business Facilities Magazine**

- > Donated Grainger Generating Station site to City of Conway, supporting community, environment and enabling recreation and ecotourism

Supporting Our Customers

MEETING OUR CUSTOMERS WHERE THEY NEED US MOST WITH INNOVATIVE PROGRAMS TO HELP THEM SAVE ENERGY AND MONEY.

Legacy and new programs:

- > Marketplace, Santee Cooper Rewards, Power Partners, EmpowerSC energy education and rebates
- > Discounted rates and grants for electric vehicle support
- > Low-interest loans for energy management upgrades

Recent Distinctions

- > **Excellent Reliability:** Top 10% nationally for residential reliability out of nearly 500 utilities (US EIA)
- > **Thoughtful Customer Service:** Annual customer service surveys show consistently high satisfaction rates among residential, commercial and industrial customers and increasing wholesale satisfaction scores.

- > **Operational Efficiency:** RP3 award winner from APPA since the award's inception
- > **Safe Workplace:** 1st place award from American Public Power Association

Awards to Celebrate

- > **2025 Community Impact Award:** Myrtle Beach Area Chamber of Commerce

Community Support

Supporting our communities through corporate outreach, volunteerism and sustainability.

- > Teammates volunteered 36,000 hours to nonprofits in 2025
- > Annual Energy Educators Institute provided dozens of teachers with graduate-level instruction, allowing them to take new knowledge back to classrooms
- > Power Line Hazards Awareness Demonstrations team shared important electrical safety information in-person to public groups ranging from elementary school classes to public safety officials
